METROPOLITAN-DETROIT POLYMER ART GUILD

31st Annual Retreat

Registration Form

WHEN	WHERE	THEME
April 15–18, 2027	**Colombiere Center**	**Mokume Gane**
Thursday – Sunday	9075 Big Lake Rd., Clarkston, MI 48346	Deep impressions on layered clay

No alarms, no beds to make, no children (or spouses) to tend. Meals prepared and shared with delightful company. No dishes to do! And polymer clay.

Retreat 2027 is a long weekend of uninterrupted claying — an opportunity to create art and catch up with friends. We'll again have a silent auction on Saturday afternoon, along with other familiar retreat activities. This year's theme is Mokume Gane: you'll learn multiple ways to achieve beautiful veneers using deep impressions on layered clay. Guild members are invited to demonstrate with a variety of clays, foils, inks, inclusions and more — if you have a special method to share, contact our Education Coordinator, Jane Wilhelm (jjewelers2@gmail.com).

You'll receive an information email (what to bring, what to expect, and directions) in late March. Questions about accessibility or medical issues? Contact detroitpolyclay@gmail.com.
